**MARRIAGE LICENSE**—A marriage license was issued yesterday to Alfred Henry, aged 47, of Maricopa county and Frances Vansout, also of Maricopa county.

**CHICKENY FUNERAL**—The funeral of Charles Chickeny will be held this afternoon from the undertaking parlors of Merryman and Bayt. Interment will be made in the old cemetery.

**OSBORN P. T. MEETING**—The Parent-Teacher association of Osborne district will hold its regular monthly meeting at Osborne school this afternoon at 3 o'clock. There will be no program, but business of importance is to be discussed and final arrangements made for the evening meeting to be held later in the month. A full attendance is urgently requested.

**POSTAL RECEIPTS**—Postal receipts for March were \$10,089.96, or \$12,383.93 more than the same month last year. The fiscal year of the post office ending March 31, discloses a peculiar increase in receipts. For the year the total receipts were \$109,015.51. This year's income was just a little too small to make it possible for the next postmaster to receive one hundred dollars more salary a year than the present one.

**A CORRECTION**—J. H. Thompson, who is employed by the Valley Lumber company, wishes it understood that he was not in the company of the Chickeny family on Saturday night, neither was he near about when the lamentable tragedy occurred whereby one of the brothers was killed. This statement is made in justice to Mr. Thompson, who had been mistakenly connected with the case by some people.

**BAKER PLUS DOKEYS**—Erwin G. Baker assisted some of the Dokeys last night in their initiation proceedings by donating the fenders, back huddle and radiator of his car for about a dozen of the enthusiasts. With Wild Bill Tremaine straddling the radiator Baker drove all round town last evening. In Tremaine's left hand was a large banner advertising the 100 mile motorcycle race Sunday and in the other was a large hand bell calling attention to the aggregation.

**DINNER TO CALLAHAN**—Mark Dunbar of Dunbar's Weekly and Lyle Abbott of The Republican, gave a dinner at the Adams last evening for James J. Callahan, manager of the visiting White Sox baseball club and George Rice, baseball authority on the Chicago Journal. Spring training camps were the subject of conversation, while Secretary Harry Welch of the Board of Trade looked in for a moment. Otherwise the talk ranged about a million or so baseball players, managers and writers.

**DEATH OF ANDREW SMITH**—A paper printed at Urbana, Iowa, publishes the following account of the death of Andrew Smith, a former resident of the valley. Mr. Smith was one of the early settlers of the valley and was familiarly known as "Watermelon" Smith. "Andrew Smith passed away Wednesday morning at 6:30 o'clock. Mr. Smith has been an invalid for several years, but was confined to his bed but a few days. He was a man of great ambition, despite his ill health, always trying to do good for others. He will be greatly missed in the community. He leaves to mourn his loss a wife, one daughter, Mrs. Harry Featherly, Walter, Fred and Ray Smith, who were all with him at the time of his death, beside a host of relatives and friends."

### RAILROADS CONTROL COAL

TRENTON, N. J., March 31.—The assembly of the coal investigating committee submitted a report that eleven big railroads control 87 per cent of the total anthracite mined, that a general combination between these companies fixed the prices and coal sales of companies owned by the railroads, that a combination of forty men control the business of mining and selling 87 per cent of the hard coal of the country.

### TO DEVELOP VENTURA

### A REVERY

I thought last night 'twas sweet to hear  
The winds sing soft and low;  
And to my ear there came the chiming  
Of bells across the snow.

O golden bells, O golden bells  
O bells of long ago,  
What memories do your voices send  
Across my heart of snow.

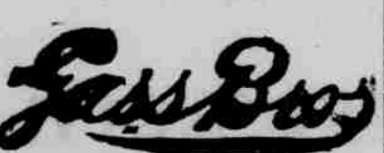

Up from its grave the buried past  
Leaps with its joy and woe;  
The bitterness, the blessedness  
Of bells across the snow.

## TEMPERANCE FEDERATION

(Continued from Page One.)

rary chairman and then made permanent, while W. W. Shenk of Flagstaff was chosen secretary.

The customary committees were appointed, and then, while other enthusiasts spoke to the delegates, the committees got down to business. As a body form upon which to work for the proposed amendment to the constitution, the proposed law fathered by H. F. Kane before the State Federation of Labor convention was taken and the alterations made satisfactory to the gathering.

When the reports of the committee upon the proposed amendment were read, it was found that the whole gathering was against any form of state dispensaries. Several warm speeches were made against such a clause in the bill.

During the afternoon further speeches were heard, notably one from B. Odum of the I. W. W., who spoke for the work of that organization. Members of churches, church organizations, fraternities, labor organizations and political parties then spoke, all of them agreeing that the meeting was really remarkable. The members present, however, all stated that officially they could not represent the organizations to which they belonged, but that personally they could represent themselves, which they hastened to do.

In the evening, in addition to the election of the officers, an address was delivered by E. W. Chapin of Tucson upon the liquor traffic. Several others spoke, among them more representatives of the laboring men of the state, nearly all of them belonging to some union or other. The remarks were cheered to the echo upon more than one occasion. Following were among the organizations represented: Anti-saloon League, prohibition party, W. C. T. U., Y. M. C. A., Y. W. C. A., socialist party, labor unions, Preachers' alliance, Good Templars, Civic league, and many others.

### The Proposed Amendment

Be it enacted by the People of the State of Arizona:

Section 1. Ardent spirits, ale, beer, wine, or intoxicating liquor or liquors of whatever kind shall not be manufactured in, or introduced into the state of Arizona under any pretense. Every person who sells, exchanges, gives, barter, or disposes of any ardent spirit, ale, beer, wine, or intoxicating liquor of any kind to any person in the state of Arizona, or who manufactures, or introduces into, or attempts to introduce into the state of Arizona, any ardent spirit, ale, beer, wine, or intoxicating liquor of any kind, shall be guilty of a misdemeanor and upon conviction shall be imprisoned for not more than two years nor less than 180 days and fined not more than three hundred dollars nor less than \$25 and costs for each offense; provided that nothing in this amendment contained shall apply to the manufacture or sale of denatured alcohol.

Section 2. The legislature shall appropriate legislation provide for the carrying into effect of this amendment.
